

Exhibit B

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).

2. Claimant and Claimant's Representative: Aasiyah Meeks, as next of friend and mother of one minor child, A.M., [REDACTED] a [REDACTED], Flint, MI 48503, claimant's counsel can be contacted at 212-605-6200. Aasiyah Meeks has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent her child and act on their behalf.

3. Type of employment: Minor Children – No Employment

4. Date(s) of Birth: A.M. – [REDACTED] 2013

5. Marital Status: Single

6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.

7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.

8. Basis of Claim: Negligence. The SF-95 required details are described below.

9. Property Damage: None

10. Nature and extent of each injury: The claimant has experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimant has experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

11. Witnesses:

STATEMENT OF FACTS AND BASIS FOR CLAIM

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).

2. Claimant and Claimant's Representative: Alexandria Corneilius, as next of friend and mother of three minor children, A.B., M.C. and T.S., [REDACTED] [REDACTED] [REDACTED] [REDACTED] Burton, MI 48519, claimant's counsel can be contacted at 212-605-6200. Alexandria Corneilius has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent her children and act on their behalf.

3. Type of employment: Minor Children – No Employment

4. Date(s) of Birth: T.S. – [REDACTED] 2003, A.B. – [REDACTED] 2008, M.C. – [REDACTED] 2012

5. Marital Status: Single

6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.

7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.

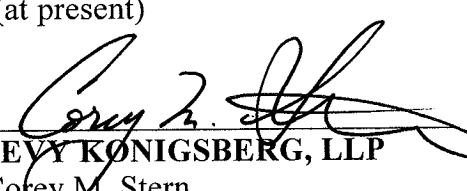

8. Basis of Claim: Negligence. The SF-95 required details are described below.

9. Property Damage: None

10. Nature and extent of each injury: The claimants have experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimants have experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

11. Witnesses:

5. Marital Status: Single
6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.
7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.
8. Basis of Claim: Negligence. The SF-95 required details are described below.
9. Property Damage: None

10. Nature and extent of each injury: The claimant has experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimant has experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

STATEMENT OF FACTS AND BASIS FOR CLAIM

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).

2. Claimant and Claimant's Representative: Allen Reid, as next of friend and father of one minor child, A.R., [REDACTED] Flint, MI 48505, claimant's counsel can be contacted at 212-605-6200. Allen Reid has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent his child and act on their behalf.

3. Type of employment: Minor Children – No Employment

4. Date(s) of Birth: A.J. – [REDACTED] 1999

5. Marital Status: Single

6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.

7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.

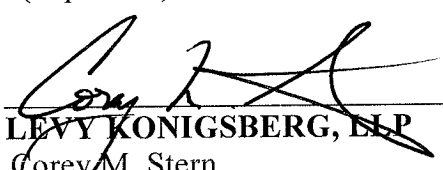

8. Basis of Claim: Negligence. The SF-95 required details are described below.

9. Property Damage: None

10. Nature and extent of each injury: The claimant has experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimant has experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

11. Witnesses:

STATEMENT OF FACTS AND BASIS FOR CLAIM

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).

2. Claimant and Claimant's Representative: Amanda Smith, as next of friend and mother of two minor children, A.C. and R.C., [REDACTED] Flint, MI 48504, claimant's counsel can be contacted at 212-605-6200. Amanda Smith has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent her children and act on their behalf.

3. Type of employment: Minor Children – No Employment

4. Date(s) of Birth: A.C. – [REDACTED] 2006, R.C. – [REDACTED] 2004

5. Marital Status: Single

6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.

7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.

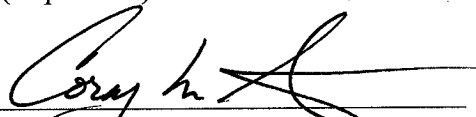

8. Basis of Claim: Negligence. The SF-95 required details are described below.

9. Property Damage: None

10. Nature and extent of each injury: The claimants have experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimants have experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

STATEMENT OF FACTS AND BASIS FOR CLAIM

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).

2. Claimant and Claimant's Representative: Amanda Ross, as next of friend and mother of one minor child, A.C., [REDACTED] Flint, MI 48507, claimant's counsel can be contacted at 212-605-6200. Amanda Ross has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent her child and act on their behalf.

3. Type of employment: Minor Children – No Employment

4. Date(s) of Birth: A.C. – [REDACTED] 2009

5. Marital Status: Single

6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.

7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.

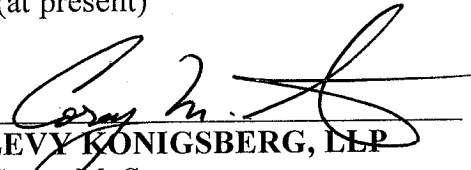

8. Basis of Claim: Negligence. The SF-95 required details are described below.

9. Property Damage: None

10. Nature and extent of each injury: The claimant has experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimant has experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

11. Witnesses:

STATEMENT OF FACTS AND BASIS FOR CLAIM

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).

2. Claimant and Claimant's Representative: Amie Dinnan, as next of friend and mother of one minor child, R.R., [REDACTED] Flint, MI 48505, claimant's counsel can be contacted at 212-605-6200. Amie Dinnan has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent her child and act on their behalf.

3. Type of employment: Minor Children – No Employment

4. Date(s) of Birth: R.R. – [REDACTED] 2003

5. Marital Status: Single

6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.

7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.

8. Basis of Claim: Negligence. The SF-95 required details are described below.

9. Property Damage: None

10. Nature and extent of each injury: The claimant has experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimant has experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

STATEMENT OF FACTS AND BASIS FOR CLAIM

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).
2. Claimant and Claimant's Representative: Andre O'Daniel Jr, as next of friend and father of two minor children, S.D. and T.D., [REDACTED] [REDACTED] Flint, MI 48504, claimant's counsel can be contacted at 212-605-6200. Andre O'Daniel Jr has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent his children and act on their behalf.
3. Type of employment: Minor Children – No Employment
4. Date(s) of Birth: S.O. – [REDACTED] 2008, T.O. – [REDACTED] 2013
5. Marital Status: Single
6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.
7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.
8. Basis of Claim: Negligence. The SF-95 required details are described below.
9. Property Damage: None

10. Nature and extent of each injury: The claimants have experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimants have experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

STATEMENT OF FACTS AND BASIS FOR CLAIM

**NOTICE OF ADMINISTRATIVE COMPLAINT AGAINST THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY**

STANDARD FORM 95 (SF-95) REQUIREMENTS

1. Appropriate Federal Agency: United States Environmental Protection Agency (EPA).

2. Claimant and Claimant's Representative: Angela Garner, as next of friend and mother of one minor child, Z.C., [REDACTED] Flint, MI 48505, claimant's counsel can be contacted at 212-605-6200. Angela Garner has authorized the attorney and law firm listed on the attached SF-95, Exhibit 2, to represent her child and act on their behalf.

3. Type of employment: Minor Children – No Employment

4. Date(s) of Birth: Z.C. – [REDACTED] 2013

5. Marital Status: Single

6. Date and Day of Accident: As early as Tuesday, October 14, 2014, there is a record that a civilian, Jan Burgess, provided the EPA with notice of a massive environmental violation occurring in her home town of Flint, Michigan. In January 2015, Ms. LeeAnne Walters called the EPA regarding water issues that she was experiencing at her Flint home. She informed the EPA that she and her family members were becoming physically ill from exposure to the water coming from her tap.

7. Time of accident: Notice was first provided to EPA by Ms. Burgess on October 14, 2014 at 9:07 a.m. via email; in January 2015 Ms. LeeAnne Walters provided notice over the phone.

8. Basis of Claim: Negligence. The SF-95 required details are described below.

9. Property Damage: None

10. Nature and extent of each injury: The claimant has experienced physical injury caused by ingesting water contaminated with lead, copper and other toxic materials including but not limited to legionella bacteria, cryptosporidium, E. coli, known carcinogens and lead particulates causing lead poisoning, aggravation and exacerbation of pre-existing and chronic health conditions, gastrointestinal disorders, nausea, hair loss, skin rashes and other dermatological disorders. Claimant has experienced profound emotional distress, overwhelming fear, a persistent and deep interference with all aspects of daily living and the quality of life.

11. Witnesses:

- a. Gina McCarthy, US EPA Administrator Environmental Protection Agency 1200 Pennsylvania Avenue, N.W. Washington, DC 20460
